

Dear Second Grade Families,

Below you will find a list of supplies suggested by each second grade teacher for next school year. Understandably, you do not know yet which room your child will be placed in, but please note there are some common items. We are providing this list so you may pick up sale items throughout the summer. We look forward to seeing you in the fall!

Additionally, the second grade teachers request that you do not send Trapper Keepers or other large folder holders, as they are too bulky for the available storage space. Plastic folders have been ordered and will be provided for all the second graders to use for transport of homework, notes, and information to and from school. Also, when purchasing book bags, please keep in mind wheeled bags **will not** fit in student lockers.

Sincerely,

The Second Grade Team

Mrs. Richard's Second Grade

Mrs. Baranek's Second Grade

The students will work at shared tables and there is limited storage in the classroom, so all daily-use supplies except for the students' personal Authors' Notebooks--8X10 (approx. measurement) 100-page *composition notebook*, any color--will be provided for the children (*no spiral notebooks, please*). However, each child should have gym/tennis shoes available at school for weekly Physical Education class and a bookbag/backpack. All donations of facial tissues, copy paper, liquid soap, disinfecting wipes, and/or hand-cleaner will be greatly appreciated.
